MIDLANDS BRINGS IN \$8.2 MILLION IN TWO TRANCHES

TORONTO, CANADA: Friday, February 12th, 2010: Midlands Minerals Corporation (“Midlands” or the “Company”) is pleased to announce that it has closed the second tranche of its non-brokered private placement financing as announced on January 22, 2010 (the “Offering”). The Company has issued an additional 10,214,403 Units at the price of \$0.35 per Unit, on a non-brokered basis, for additional gross proceeds of \$3,575,041.05. This brings the gross proceeds from the first and second tranches in the 2010 non-brokered financing to \$8.2 million. After the closing of this second tranche, the Company now has 104,249,791 Common Shares issued and outstanding.

Each Unit consists of one Common Share (“Common Share”) in the capital of the Corporation and one half of one Common Share purchase warrant (each such whole Common Share purchase warrant a “Warrant”). Each Warrant shall be exercisable into one additional Common Share of the Corporation (“Warrant Share”) at an exercise price of \$0.50 per Common Share for a period of twenty-four months from the Closing Date provided, however, that if at any time that is 12 months after the Closing Date, the closing trading price of the Common Shares on the Exchange (as hereinafter defined) or other recognized exchange is greater than \$1.00 for a period of 30 consecutive trading days, the Corporation shall have an option, exercisable in its sole discretion within 10 days of the end of the aforesaid 30 day period, to request that the Subscribers exercise their Warrants by providing notice (the “Notice”) advising the subscribers that they shall have 10 days from their receipt of such Notice to exercise their Warrants and any unexercised Warrants after the expiry of the 10th day following their receipt of such Notice shall expire with no further rights and privileges attached thereto. Units are immediately severable into their constituent Common Shares and Warrants.

In connection with the closing of the second tranche, the Company issued 5,107,196 share purchase warrants and 124,587 finders’ warrants valid for a period of 24 months, 664,563 broker warrants valid for 18 months, and paid out a total of \$242,146.87 in cash commissions. All securities issued as part of this tranche are subject to a 4-month hold period and are legended and restricted from trading until June 9, 2010 and June 12, 2010 respectively.

The proceeds from the Offering will be used to accelerate exploration on the Company’s properties primarily in Ghana where the Company is focusing its efforts on the Sian and Kwahu Praso properties located on the Ashanti Gold Belt, the Kaniago project located on the Asankrangwa Gold Belt, and for general corporate purposes. Kwahu Praso and Sian are contiguous and together, they continue to present a promising exploration opportunity.

ABOUT MIDLANDS MINERALS

Midlands is a growth oriented and value based gold exploration company operating in Ghana and Tanzania, two stable countries with a history of gold mining. Midlands' top priority project is the fully permitted Sian gold project in Ghana. The Sian property contains Esaase and Ampeha, two previously producing open pit mines with a resource with significant growth potential. Midlands' contiguous Kwahu Praso project, which was once part of Sian, contains extensions of the Esaase and Ampeha trends. Sian and Praso are just 30 kilometres northeast of Newmont Mining's +8.7 million ounce Akyem gold deposit. Midlands also holds highly prospective licences for gold and diamonds in the Lake Victoria Goldfields in Tanzania.

The Company has a highly qualified management and technical team with broad African experience and extensive experience in the countries in which the Company operates. For more information on the Company, please visit Midlands' website at www.midlandsminerals.com.
